

Word Cloud - Identity

ELA 30S

Assignment:

You will be creating a word cloud to express *your* identity.

- You must have your name as the focus of the word cloud.
- Surround your name with words that describe who you are in this moment.
- Be creative! There is no wrong way to do this!
- You can write your own words, cut out from a magazine, or print off from the computer. The main idea is that you have different sized descriptive words that fill the page.
- Can be in the shape of a cloud, head, heart, animal, etc. Whatever floats your boat!
- Minimum of 20 different descriptive words for your identity word cloud.
